## ELMDALE TENNIS CLUB

### INTRODUCING THE 2025 SUMMER STEWARD ROSTER

#### NOAH DUFOUR

Hi, I'm Noah. I've been a member at Elmdale and a tennis fanatic for 10 years now. I love all sports but mostly tennis, soccer and hockey. I'm graduating at Franco-cité High school in June. I'm a friendly and hardworking guy who's always happy to help out!

#### RORY BOYES

My name is Rory, and I am a returning steward. I am a third year Concordia student studying Human Environment. I had such a great experience last summer learning the ropes of the job and making connections with members along the way. I look forward to reacquainting with returning members!

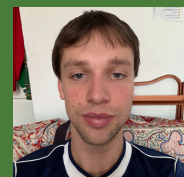

#### ALECSANDRA VLAD

Hi, I'm Alecs! I'm a second year Humanities student at Carleton, and I'm also a part of the school's wrestling team. I worked at Elmdale last fall, so I'm excited to be back and working with the community again!

#### THOMAS TOPPING

Hi, I'm Thomas. I'm a student at Concordia University and play on the varsity soccer team. I have grown up playing tennis at Elmdale, playing in junior tournaments and meeting many great members and staff over the years. I love tennis, and love the Elmdale community. I am looking forward to meeting you all.

#### SAM EDWARDS

Hey! My name is Sam and I am a hockey player going to college in St. Louis, Missouri. I enjoy the outdoors, tubing down the Ottawa River, and spending time with my dog, Couch. I'm excited for the opportunity to contribute to the club and support its members in enjoying their time on the court!
